

Rosella

Grape variety used: Aglianico & Montepulciano

Aged in Steel Tanks

Alcohol: 13.5% pH: 3.53

Harvest: October 2020

Cases Produced: 84

Bottled: January 2021

This Rose wine is produced from 100% Chapin Estate grown Montepulciano & Aglianico grapes. The profound aroma is reminiscent of roses and red fruit. Delicate flavor with a hint of grapefruit and a slightly dry and crisp finish.

This valanced Rose pairs nicely with salads along with lighter cheese and meats.
