American & French Oak Barrels

Estate Montepulciano: 11 year old vines

Alcohol: 15.9% PH:3.61 Acid 4.5

Production: 303 Cases

Bottled: July 2019

The Montepulciano grape has been cultivated in Abruzzo for over two centuries in the central part of Italy where it thrives on hot temperatures and cool nights. Inky dark colors with big structure, low acidity and a long lasting finish. Flavors are earthy with blackberries, ripe cherry and smooth tannins.

Pairs well with hearty heavy cheeses, beef stew, beef and lamb dishes
